Thanks, I was curious as to who entered this site and why. It appears to be RCRA staff in our Spokane office so it was probably an old waste handling issue.

Have a nice XMAS

Just put an e-mail through to Susanne Salcido, our RCRA Information Management Coordinator. If I get any other info than what we have, I will forward?

Hope this helps.

Can you tell me where you found the WA ECY Titan Site listing? Is this
off
of our database - if so which one?

Will check with Joanne presently. And yes, it certainly will.

By the way, jst found out that the site also had seen some RCRA listing,
and is listed as WA ECY Titan Site; and guess what, the address is
listed as U Rd Abandoned Missile Site. - Oh well -

Have a good weekend!
